### Professional Background

With over 35 years of industry and consulting experience, Mr. Feemster specializes in economic development business strategy & planning, supply chain & distribution network strategy, operations management in manufacturing & distribution, supply chain cost improvement, and distribution center master planning.

Before establishing Foremost Quality Logistics, Mr. Feemster was a senior manager in three manufacturing companies, a consultant, an executive in two third-party logistics providers, and a logistics practice group leader in two real estate firms.

Mr. Feemster has been exposed to the economic development, manufacturing, logistics and supply chain issues facing many industries and involving both refrigerated and dry channels. These experiences include specific assignments in over 100 project start-ups, site selection, marketing, project management, operations management, Lean Six Sigma quality management, strategic planning, inventory planning & deployment, as well as transportation & private fleet management. He has been responsible for warehouse facility layout and design, logistics systems development, purchasing strategy, business planning, carrier rationalization, warehouse network analysis, and third party qualification and selection. In addition, Mr. Feemster is quoted frequently in both real estate and supply chain industry press and makes over 20+ presentations a year to economic development groups, professional organizations, and university students. He was honored as one of the 2010 Rainmakers by DC Velocity magazine.

Past clients include Will County Center for Economic Development, The Greater Tulsa Chamber, Dyersburg / Dyer County Chamber of Commerce, Toledo Regional Growth Partnership, CentrePort Canada, Team California, Tulare County EDC, Minnesota DEED, Greater Yuma EDC, Virginia Ports Authority, Baton Rouge Area Chamber, Alpo Pet Foods, Cisco Systems (US & Mexico), Coke, Disney, Federal Express, Frito Lay, Georgia Pacific, GM (US and Mexico), HP (US & Canada), Ingersoll Rand (US & Europe), NCR (US & UK), Nike (US & Europe), Nissan, Philip Morris, Ricoh, and Quaker Oats.

### Education

Mr. Feemster holds an M.B.A. with distinction, in Marketing and Operations Research from the Stephen M Ross School of Business, University of Michigan in Ann Arbor, MI. He received his Bachelor's degree in Mathematics from DePauw University, Greencastle, IN.
